Price changes

from 1 November 2026

Dear business partners,

I would like to inform you of price changes for **selected products from 1 November 2026**.

The price adjustments mainly concern older products that remain popular. We are bringing their prices into line with those of newer products.

Products affected by the changes

Greeting cards with envelopes by BUG ART and Quire Publishing.

We are unifying the greeting card price groups. The new standard price will be **CZK 80 including VAT**.

Bookmarks by BUG ART, The Little Prince and Turnowsky will be priced at **CZK 49 including VAT**.

We have sent new price labels for the greeting card and bookmark display stands to your shop in case we are unable to visit in time. I would appreciate your help with replacing the price labels for these products.

We are also adjusting the prices of five types of porcelain mugs from the BUG ART KOOKS collection

Espresso cup 125 ml – BUG ART KOOKS: **new price CZK 159**

Mug 320 ml – BUG ART KOOKS: **new price CZK 219**

Mug 360 ml – BUG ART KOOKS: **new price CZK 269**

Mug 550 ml – BUG ART KOOKS: **new price CZK 319**

Mug 370 ml with lid and infuser – BUG ART KOOKS: **new price CZK 389**

The complete list of products affected by the price changes is attached as an Excel file.

If we have not been able to update the prices at your shop ourselves, we kindly ask for your help with replacing the price labels. We greatly appreciate your willingness to help and the time you devote to this update.

Thank you for your understanding, cooperation and help. If you have any questions, please contact me.

Kind regards,

Jan Hybler
